

# Spring Semester 2025 Workshop Schedule

## Academic Support Center

Term	Start Date	End Date	Date Last Updated
202514	January 6, 2025	May 2, 2025	January 3, 2025

## Workshops Currently Scheduled or Planned for the Summer Semester

### Writing Workshops

Repeat Offenders: What keeps coming up in the tutoring lab

This workshop will review the most commonly seen grammar and punctuation errors that tutors see when reviewing student writing assignments. Students who attend will learn valuable information, as well as tips on how to find and correct their writing errors.

Session 1: (dates and times pending) Students currently enrolled in an ENGL-1111 class are encourage to attend. The workshop will be conducted at the Gordon County Campus in room 248 of the 400 building.

### Nursing and Healthcare

Drug Dosage Calculations

This workshop will cover the primary drug dosage calculations seen in nursing and other healthcare situations. It will cover ratios and proportions, metric conversions, the dimensional calculation methos, the universal formula, pediatric dosages, and drip rates.

Session 1: (dates and times pending) The workshop will be conducted at the Floyd County Campus.

If you have any questions or would like to request a workshop on a specific topic, please contact [Marty Moorehead](#), the Academic Support Coordinator.

GNTC is a unit of the Technical College System of Georgia and an Equal Opportunity Institution.
